

Villa Description

UNR-283 is a luxurious villa, the home is brand new with elegant and private living spaces in a gated complex with swimming pool just right for your sundowners.

- - The fields around become lush and luxuriant during monsoons. It lets you soak in the greenery all around. You savor the slow life surrounded by the delightful open spaces. The villa is stunning and you feel you are experiencing your own kind of paradise. The space has been considered holistically and the architectural emphasis is balanced between the interior and the exterior. Mother Nature is our exterior designer and thus the location can be described as quaint, peaceful, plush and perfect for a holiday home. The interiors are modern and contemporary where art, architecture and personal experiences blend beautifully.
- - The place exudes sophistication along with lots love and warmth with vibrant and endearing art pieces adorning the walls of every room and the stairway. Eclectic and a unique mix of contemporary minimal furniture and décor makes this place even more inviting.
- - The design is such that the artificial and natural light seamlessly merge together to curate and relive a slower time! Get ready to laze around in the swimming pool where family, friends or you alone can put their phone away and live away from the cacophony of the city sound. We promise, you would love to stay for some more unplanned vacation days when here while wanting to extend!
- - The villa comes with a fully equipped Kitchen which is sufficient for long stays too. It includes a microwave, electric kettle, refrigerator, dishes and silverware, stove, cooking basics (pots and pans), salt and pepper, wine glasses, dining table, toasters and many more things. If you enjoy cooking, ask us where you can find amazing local and artisanal produce and products.
- - Literally 10 mins away from the famous beaches and restaurants, it is difficult to find a better location that still maintains the serenity and peace. 5 minutes drive from Anjuna and Vagator beach
